

such program is the Branching Out Program. This initiative gives youth in the community a chance to roll up their sleeves and work a garden, learning about plants from the garden to the table. Due to the tireless dedication of the Friends of the Frelinghuysen Arboretum, programs like these enable community members to explore the natural beauty that lies in their own backyard.

Under the guidance of the Morris County Park Commission, its mission is to support and/or sponsor projects and educational programs that will provide opportunities to the public to expand their knowledge and enjoyment of horticulture and the natural world.

The Friends of the Frelinghuysen Arboretum is made up a dedicated group of men and women with a passion for horticultural and volunteerism. Though the Frelinghuysen Arboretum is their primary focus, the Friends also provide support to two other facilities within the Morris County Park Commission: Bamboo Brook Outdoor Education Center and the Willowood Arboretum.

It is with many great thanks to the Friends, that Morris County is able to offer such an invaluable resource to its citizens.

Mr. Speaker, I ask you and my colleagues to join me in congratulating the Friends of the Frelinghuysen Arboretum on their Fortieth Anniversary.
